DECLARATION

- 1. That the product(s) listed on the Vanuatu Made license application comply with the rules and conditions for the use of the Emblem and in particular each of these meets the relevant compliance criteria set out in the Regulations. Include information about the origin of components/ingredients and the manufacturing processes undertaken by you.
- 2. Those sufficient documentary records will be maintained to demonstrate the compliance of the listed products with these compliance tests.
- 3. I agree to indemnify Department of Industry against any action or claim brought against Department of Industry as a result of my use of the Industry Emblem.
- 4. I have read and understood the Regulation for the use of the Industry Emblem and agree to be bound by the rules outlined in the Regulations.
- 5. That to the best of my knowledge the information provided in this application is true and correct.

OFFICIAL USE
